Auditions

Reminder that auditions for "The Accrington Pals" will be on Wednesday 9th December. Any queries to Sue Robey on 01529-300122.

December Production

The Holly and the Ivy on Wednesday 2nd to Saturday 5th December. Tickets are selling well.

Future planning

It has been suggested that the Society should consider putting on a pantomime. This would be a new venture for us. So before a decision is taken the Committee want to hold a meeting on Tuesday 8th December at 7.45pm in the Playhouse to discuss the feasibility/implications of such a move. Any members interested in helping in any way are invited to attend.

Set building

At present Garry Goodge does all our set design and building, with valuable assistance from scene painters etc. We would like to be able to put on more productions in each year but the burden on Garry would be too great. So is there anyone out there who would like to help in this area, either by working with Garry initially, or perhaps able to take on a production themselves? Please don't be shy. Garry does a fantastic job but he needs help. Please contact Garry if you are interested.

Reminder

Don't forget to return raffle ticket stubs and money to Garry!

Sweatshirts/poloshirts

When we first opened the Playhouse we had some SLT shirts produced. We want to do a further order and would like to open the offer up to all members. They will have the embroidered SLT/Playhouse logo and would be available in black or burgundy. Sweatshirts would cost £15 and polos £12.50. So that we can arrange a suitable quantity could you please return the slip to the above address (email is fine).
