

Sleaford Historic Car & Motorcycle Show 2009

With Craft Fair

Saturday 5th September 2009

Press Release

The organisers of the 17th Sleaford Historic Car & Motorcycle Show are looking forward to filling the grounds of St George's College on Saturday 5th September with all types of vehicles from across the decades. Entries have been coming in well over the last few months but there are still spaces available in all classes, including all ages of cars and motorcycles and the separate Agricultural/Commercial class, which this year has been extended to include stationary engines.

The show has been a popular event on Sleaford's calendar now since 1993 and many of the entries have been regular attendees. Each year we welcome vehicles from across the region and from further afield and encourage new visitors to join us for the day and make new friends.

Entry forms are available on the show's website www.shcms.sleafordevts.co.uk or by calling 01529 462860

As usual the class entries will be judged by visitors to the show and fantastic trophies created by Ferg Philip will once again be presented by the show's sponsors.

As already announced, Sleaford Town Council has agreed to help sponsor the venue costs and other sponsors so far confirmed include Four Seasons Garden Centre, A & H Factors, Cawsey Motors, Ferg Philips, Keith Bird Motorsport, Malc's Bodyshop, Moore and Scrapps, Scriminger Engine Developments and Westgate Electrical.

There will also be prizes for Best Bike in Show, Best Car in Show and the Best Club Stand.

As well as the road vehicles expected we are also promised another exciting display of radio controlled racing cars in action and a spectacular display of rally cars. For the more energetic, younger visitors there will be a bouncy castle and other entertainment.

Stalls are available at the Indoor Craft Fair and outside for traders and charitable organisations. For more details of stall bookings please call 01529 305755.

The event coincides with the town's Farmers Market taking place only a short walk away, making the 5th September a great day out in Sleaford.
